5 · SAFETY

Allergies ☐ None known ☐ Yes: _____

Past IV iron ☐ Never ☐ Yes, no reaction ☐ Yes, reaction: _____

☐ Medication list attached ☐ Not pregnant, to my knowledge

Notes (optional) _____

GOOD CANDIDATES

Adults 18+ with **ferritin under 30 µg/L and symptoms**, whether or not they've tried oral iron — or **under 50 µg/L if oral iron didn't help**. Our NP confirms eligibility.

PLEASE DON'T REFER

Pregnancy, under 18, or dialysis. Active bleeding, chest pain, fainting or severe shortness of breath need urgent care, not this referral.
